

Canada's Ballet Jörgen's is closely monitoring the COVID-19 situation, and our primary concern is for the health and safety of our artists, staff, and patrons.

Based on the recommendations of the appropriate health authorities, **all remaining performances of *Anne of Green Gables – The Ballet™* through May 30, 2020 have been rescheduled.** The full list of rescheduled performance cities and dates is below.

CBJ is also working through the impact on our extensive education and community engagement programs, and updates will be provided as they become available.

These are difficult times for the arts and most especially for artists. Despite the challenges we are facing, **I am very pleased that we have taken the necessary steps to enable us to honour all artist contracts, and we will not lay off any dancers or other artists at this time.**

We are exploring innovative ways for our artists to create and practice their art remotely which will enable them to interact with our audiences, choreographers and each other in a virtual space. For now, we are focused on delivering a range of programming on-line including **daily barre classes offered on Instagram by Company dancers** and the release of new dance content on the Company's YouTube channel. Keep an eye on our social media channels for updates.

COVID-19 is having a major impact on arts organizations across Canada and around the world, and **we hope that you will consider making a tax-deductible donation to Canada's Ballet Jörgen** to help ensure we can continue to make professional dance accessible in communities across Canada.

Please visit canadasballetjorgen.ca to donate and for the most up to date information on future performances and programming.

Thank you for your understanding.
